Mr. Cracraft, Shirley, Dale and Chad

We reviewed 4 goals and their progress.

1. facilities study to be shared with the board 5-12-20
2. administrators and directors team training. Evals are under way and math curriculum is coming to the board's May meeting.
3. negotiate and renew contracts , teachers and custodial contracts are ratified and headed to finance
- 4 pandemic management. county and state meetings. learning plans and end of year activities all in the works.

We touched on the strategic plan.

Teacher evals for the year: Be fair he directs.

3rd grade reading progress.

Karen, this is my paraphrasing. If you want or Jim wants more detail then use his emails to us on the goals and progress. items 1-4
thank you.
