

School Board Workshop
9-11-21
9-11:15 am

Present, Kelly, Shirley, Monica, Steve and Mike (Mike left at 9:45)
Absent, Dale and Chad

Discussion topics:

- We plan to update our board operating procedures in Grand Rapids.
- The board would like an online event calendar. A board goal is to be more visible and this would help us.
- Jim's evaluation section C.
- School of Choice phone calls to be made. An idea: put the list on a google sheet so we can all see who needs to be contacted. Also if Jim has specific questions and or a script he'd like us to use, write it up. We'd like to start Fall Festival weekend.
- The negotiation process.
- Google classroom vs schoology.
- Steve brought drawings of the preschool and elementary additions.
